

Prior to the implementation of Indiana Do Not Call List, my evenings were spent answering my phone. Meals were interrupted and family time was fragmented. I am opposed to any weakening of Indiana's current law.

It is my strong belief that if I need or want further services from my bank then I will contact them. It is an invasion of my personal privacy to have the bank that I do business with call me after reviewing my accounts to see if I wish further services.

I am strongly opposed to any weakening of Indiana's Do Not Call law.
